

Yes, the war in Bosnia ended 15 years ago. We were there, it was not cool at all and we hope it will never happen to anybody anywhere. Since then everything has been OK and we are now **normal European country** again. And, yes, **Sarajevo** is safe, wonderful and amazing city. We are country of **tasty food**, beautiful women and nice furniture. **And yes, some of our sofas cost less than 100 Euro.** We are famous for that. **Yes,** we are **SINKRO** from Sarajevo. We have already exported **hundreds of trucks** to Belgium, France and some other countries in Europe. Yes, we have furniture fair in Sarajevo in March and we **hope** to see you there too. We would also be **happy** to visit you and start **working with you** as well. **Yes, we can.** Thank you, the **pleasure** is ours.
